

EISENHOWER TO GET MEDAL THIS EVENING

PHILADELPHIA (AP) — Former President Dwight D. Eisenhower will receive the Union League's gold medal for distinguished service to the country and make one of his major addresses of 1962.

His address will be televised nationally (ABC) from the Academy of Music.

Many Republicans and Democrats alike believe Eisenhower, who has a farm home in Gettysburg, Pa., will touch upon state as well as national issues since his address will come on the eve of Pennsylvania's primary election. Nominations for governor and one senator are at stake.

Eisenhower will be the fourth president to receive the gold medal. He also will be given an honorary membership in the Union League. The league, born of patriotic zeal, this year is celebrating its 100th birthday.

Eisenhower's appearance will climax a day commemorating the league's military contributions to the nation over the years.

Last week the former president held a news conference in Washington during which he criticized President Kennedy for what he termed strenuous efforts to increase the power of the executive branch of the government.

At the same time the former president called for unstinting support of Kennedy in foreign affairs. He said it seemed to him the Kennedy administration was displaying an increasing firmness in dealing with the Soviet Union and he said he applauded this development.

U.S. Moves To Send Marines Into Thailand

By JOHN M. HIGHTOWER

WASHINGTON (AP) — American forces throughout the United States and the Pacific area were under alert today as permission was awaited to land U.S. combat Marines in Thailand, which borders Communist-embattled Laos.

Thai officials were expected to agree promptly to the U.S. request for landing of the Marine force in the little kingdom.

The move involving the Marines was ordered by President Kennedy as part of his broad strategy to bolster anti-Communist defenses in Southeast Asia. It also was aimed at getting U.S. troops into position for quick intervention in Laos itself should he decide such action is necessary and desirable.

FLEET IS ENROUTE

In rapid developments: The Marine detachment of 2,000 combat-ready men moved into Southeast Asian waters as part of a 7th Fleet aircraft carrier task force. Other elements of the powerful 7th Fleet were steaming toward the crisis area under orders issued Saturday by Kennedy.

The President put on alert land, sea and air forces in the United States and the Pacific area. The alert was reported far short of the type of warning that would be given to troops in the event of war. Units alerted included those of the new strike command, which can move swiftly in the event of so-called brush-fire wars.

Kennedy's order that the military take "precautionary measures" was designed (1) to put power behind U.S. diplomatic efforts to end peacefully the new outbreak of the Laos fighting and (2) to be prepared for a fight if necessary.

CAN BE SOLVED

Kennedy met with his top military and diplomatic advisers Sunday for 70 minutes, his third conference on the Laotian situation in three days.

Undersecretary of State George Ball left the conference to appear on a television interview. He said that a peaceful settlement was possible if the Soviet Union would cooperate.

Ball reported the United States had asked Russia to get Communist-supported Pathet Lao troops pulled back to the cease-fire line from which they have been advancing in northwest Laos for about 10 days. Restoration of the year-old cease-fire would lead to revival of negotiations for a "government of national union" in Laos, and Ball made clear that is the immediate U.S. objective.

Kearney, J.C.D., academic dean, as he celebrated a Solemn Mass of Thanksgiving marking the 25th anniversary of his ordination to the holy priesthood. The Rev. Dr. David W. Shaum, treasurer of the college and seminary, delivered the sermon. He spoke on "the high ministry of the holy priesthood with its great joys and sorrows as the priest shares his ministry with his flock." He said that the jubilarian had "humbly and obediently carried out his ministry for 25 years. Further, that 20 of these years had been spent as a member of the faculty at Mt. St. Mary's where he had taught and inspired hundreds of students and future priests."

Fail To Get Warring Laos Factions To Peace Talks; Feuding Princes Disagree

By ANTOINE YARED

VIENTIANE, Laos (AP) — American diplomats strove today to bring the warring factions in Laos to the conference table but the feuding princes so far could not agree on conditions for resumption of peace talks.

Reliable sources said the U.S. diplomatic effort, backed up by an open show of military might, was making little headway toward getting pro-Communist forces back behind the cease-fire line. Prince Boun Oum's royal government cabled Prince Souvanna Phouma, the neutralist leader vacationing in Paris, to return home for peace talks.

Souvanna agreed, but only if Boun Oum sent a delegation to the rebel headquarters in the Plaine des Jarres for talks with his aides to draft a preliminary agreement.

PRELIMINARY PACT

U.S. ambassadors in Vientiane and Paris served as intermediaries in delivering the exchanges. Neither the governor nor Prince Souvanna showed any inclination to modify their demands.

There was no word of further advances by the pro-Communists who overran government outposts in the northwest and sent 2,000 royal troops fleeing across the Mekong River to neighboring Thailand.

Diplomats in touch with rebel leaders of the Red-lining Pathet Lao warned that the sooner talks get under way toward setting up a coalition government the better.

After driving 100 miles beyond the cease-fire line in a week, the rebels reportedly threatened another all-out offensive unless a political settlement is reached.

BACK SOUVANNA

Souvanna, backed by the United States and Russia, was designated by King Savang Vathana six months ago to form a national unity government.

The neutralist leader made several attempts but they collapsed when the anti-Communist Vientiane leaders demanded the key posts of defense and interior in (Continued On Page 3)

Sukarno Escapes Death At Outdoor Prayer Meeting

SINGAPORE (AP) — Indonesian President Sukarno reportedly escaped another attempt on his life today when an assassin tried to gun him down at an outdoor prayer meeting in Jakarta.

Jakarta Radio said Sukarno escaped unharmed, but that five other persons, including two government officials, were injured slightly. The broadcast said police had seized the gunman who reportedly was acting on orders of the Darul Islam group of Moslem fanatics.

Because today is an Indonesian national holiday, communications were irregular between Jakarta and the outside world. It was believed news reports of the shooting were being held up by censorship.

NO OFFICIAL WORD

J. Muzhar, information officer of the Indonesian consulate in Singapore, said he had reports of the assassination attempt, but that he had not received any official word from Jakarta.

It was the fifth assassination attempt against Sukarno, 61, during his long, turbulent career. The last try was made Jan. 7 while Sukarno was touring the South Celebes to drum up support for invasion of Dutch-held West New Guinea.

SENDS DRIVER TO JAIL FOR 60 DAYS TO YEAR

Larry Woodrow Dorsey, 20, of Anderson, S. C., was sentenced to from 60 days to one year in the county jail on a charge of assault and battery by automobile Saturday by Judge W. C. Sheely in Adams County Court.

The charge was based on an auto accident at Twin Bridges. Dorsey was attempting to pass a tractor-trailer in the fog. He told the court that when he saw a car bearing Mr. and Mrs. William J. Miller of Washington, D. C., approaching from the south he sought to brake, but the tractor-trailer he was passing also braked and as a result he could not get back into his own lane. Dorsey said his car was "almost stopped" when the crash occurred.

The court asked him: "If your vehicle was stopped, why was the other car driven back 79 feet?" The Millers said they had spent \$1,000 more than the amount they received from their hospitalization insurance to pay for medical care caused by injuries received in the accident. The court indicated that if Dorsey could make arrangements to pay that amount a parole may be considered after the 60 days.

Sentence of George Earl Smith, Littlestown, Gettysburg and Buchanan Valley, on two charges of burning buildings in Buchanan Valley was postponed to June 6.

Two Jewish Kiddies Slain

By RODNEY ANGOVE
ALGIERS (AP) — Two Jewish children were found dead in their homes today with their throats cut and police—suspecting the killings were retaliation for the Secret Army Organization slaughter of Moslems—hunted a Moslem maid.

Three Europeans — two priests and a businessman — were reported to have vanished in Algiers and authorities said they apparently were spirited away by Moslems.

Those indications that the Moslem line of restraint was cracking came to light after a pre-dawn attack on a crowded Moslem suburban community by a secret army commando group that caused an undetermined number of casualties.

CONTROL FURIOUS CROWD
The Europeans used a variety of automatic weapons and fired steadily, pausing only to reload. No one fired back.

The commandos shot from the rooftop of a new European apartment building which gave them a clear field of fire into the hillside settlement of low stucco and tile buildings separated by brush fences.

The attackers packed their weapons and disappeared into the pre-dawn half light as the Moslems, wild with fury and excitement, rushed around trying to tend the casualties.

Moslem Nationalist agents held the excited crowds under control. One purpose of such attacks is to provoke the Moslems into mob action against the Europeans, thus forcing the French forces to fire on them and breaking the cease-fire.

MARINE DIES AFTER PRANK

WASHINGTON (AP)—A prank involving a papier mache likeness of Smokey the Bear has ended in death for a Marine.

The victim and a fellow Marine kidnaped the 5-foot-6, 75-pound figure Friday night from "Storybook Land," a children's amusement park near Woodbridge, Va., 25 miles south of the Capital.

They hid it at the Washington Marine barracks until early Sunday morning, when they tried to perch it atop a flagpole on the front lawn of a home for veterans.

With a final tug on the rope the bear and the 20-foot flagpole fell to the ground, pinning Cpl. Edward C. Kaltenbach, 23, of Erie, Pa. Kaltenbach died of a brain hemorrhage, apparently caused when a metal spade in the bear's right hand punctured his skull.

His fellow prankster, Cpl. Timothy M. Parsons, 21, of Pittsburgh, was felled by the flagpole but was not injured. He is being held "under administrative restriction" at the Marine barracks pending investigation, a Marine spokesman said.

Sundays Bring Police Problems

After the "usual discouraging results" Sunday morning, borough police again today tried to explain to the general public the reason for the loading zones designated in front of the churches Sunday morning.

The zones are designed for people to pull in with cars to load people leaving the church. They are not intended for general parking.

Police explained that generally the first car arriving at the scene finds that the church service is not over, or his people are not ready to leave the church, and parks in the loading zone. Similarly with the second, and third

car and after that everybody double parks, thus causing great confusion to traffic and problems for the police.

The officers asked that drivers look to see if their passengers are waiting on the sidewalk as they approach. "If the passengers are not waiting, drive around the block until you find them waiting. That way there can be orderly progression of cars past the church."

The police also asked passengers whose cars arrive in the loading zones to end conversations with friends and relatives on the church sidewalk, so their car can get out and let another load there.

"LOOK UP AND SMILE"

I know it's hard to greet each day... with smiles upon your face... especially when luck is bad... smiles seem so out of place... for when the tides of life run low... it's difficult to smile... because each daily journey is... a long and weary mile... when troubled raindrops seldom cease... there's little else to do... but look upon the scene of life... with frowns to show you're blue... and though all this is somewhat true... it still is far from right... to walk a path of darkness when... the sun is shining bright... it all amounts to merely this... however hard your luck... you'll gain much greater dividends... when exercising pluck... so put away your doubts and fears... look up and don't despair... and you will find as I have found... a satisfaction rare.

P.O. TO MAKE STOCK SURVEY

Distribution of the 1962 Livestock Survey cards by rural carriers and Star Route contractors to patrons on their routes will begin about May 19, Postmaster Charles W. Pentz announced today.

The cards will be placed in the mail boxes of a sample of farmers served by the Gettysburg post office. Two livestock surveys are conducted in the state each year, one in May and the other in November, under a cooperative agreement of the Post Office and Agriculture Departments.

The June survey serves as the basis for estimating the number of livestock on farms; livestock production; the size of this year's pig, calf, and lamb crops; the number of chickens raised; and the number of milk cows on farms. Reports from Pennsylvania farmers also will be included in the national livestock inventory to be issued by the Statistical Reporting Service of USDA. The survey information is useful to farmers, the livestock industry, industries serving agriculture, public agencies, and the general public.

"To assure accurate and reliable forecasts and to make certain that our locality is well represented," Postmaster Pentz today urged each patron receiving a livestock card to complete and return it to the carrier as soon as possible.

the coalition government. The Vientiane regime now wants to test Souvanna's ability to control his allies of the pro-Communist Pathet Lao led by his half-brother Prince Souphanouvong.

When the pro-Communist forces routed the Vientiane troops in northwest Laos last week, Souvanna ordered Souphanouvong to pull back his forces to the original cease-fire line. The rebels pushed on further to the Mekong River. Souvanna was reported still hopeful of a settlement through diplomatic channels rather than on the battlefield.

GOODWILL MISSION

While President Kennedy cut short a weekend at his country estate to confer with his military and diplomatic advisers in Washington, the two top leaders of the Vientiane government flew to Formosa on a goodwill mission.

Premier Boun Oum and Gen. Phoumi Nosavan, the strongman of his regime, did not let the trouble at home interfere with their swing around non-Communist Asian countries to enlist support.

American air, sea and land forces in the Pacific area were on the move with Washington reported waiting permission to land combat marines in Thailand, bordering embattled Laos.

Three Youths Are Injured In Crash

Three young men were injured when their car left the highway near Hanover Sunday afternoon and crashed into a United Telephone Company pole.

State police from the local barracks said Edward W. Hunter, 19, Littlestown R. 2, was driving north on the Hanover-Cross Keys Rd. 1½ miles north of Hanover Sunday afternoon at 4:45 o'clock when he sought to make a left turn into a back road to New Oxford.

Police said Hunter lost control of his car and it left the highway and crashed into the pole, breaking it off and demolishing the 1950 auto. Hunter suffered lacerations of the right eye and face. Richard Hertz, 21, Hanover R. 1, a passenger in the car, had contusions of the left forehead and lacerations of the chin and face. Philip Little, 18, Hanover R. 5, another passenger, had a split lower lip and multiple lacerations of the face and nose.

All of the men were removed to the Hanover Hospital in the Hanover ambulance.

1,000TH GRANT STORE TO OPEN

On Thursday, the W. T. Grant Company will open its 1,000th store, a milestone which will be marked by every Grant store in the nation with storewide "Celebration Sales" following Mr. Grant's edict to "make this the most exciting demonstration of savings in the history of our company."

According to John Martin Jr., manager of the Grant store here, every department in the store will offer special values, the result of six months of preparation by the company's 81 buyers.

"Naturally we are proud of having attained 1,000-store status, but more important, we want to demonstrate to every shopper in this area what our 1,000-store purchasing power and overall economy of operation can mean in terms of substantial savings on first-quality, fully guaranteed merchandise, with savings ranging up to 50 per cent," Martin said.

William T. Grant, chairman of the board of the nationwide chain of family stores, opened his first store in Lynn, Mass., in 1906. He was 30 years of age and had saved \$1,000 which he invested in his "W. T. Grant 25 cent Department Store." Thursday the Grant company celebrates the opening of its 1,000th store in Lewistown, Me., the city in which Mr. Grant opened his fourth store in 1909.

Mr. Grant was born in Stevensville, Pa., on June 27, 1876, the son of a modest flour miller and descendant of a family which immigrated to Massachusetts in the early 1630's.

Drafting in Georgia: Among the excuses offered for exemption in the drafting in Georgia some are extremely ludicrous. In Smyth county, one man, in enrolling himself, wrote opposite his name "one leg too short." The next man that came in, noticing the excuse and deeming it pretty good, thought he would make his better, and wrote opposite his name "both legs too short."

Memorial From Colored People:

In Washington a memorial to Congress is being numerously signed by colored persons in the District, desiring most respectfully to show for themselves and their relatives and friends, whom they represent, that they appreciate, to the fullest extent, the humane actions which are now inaugurated to give freedom to their race, but they believe that this freedom will result injuriously unless there shall be opened to colored people a region to which they may immigrate and in which they may seek and secure, by their own industry, that mental and physical development which will allow them in honorable position in the families of God's great world. Though colored and debarrd from the rights of citizenship, their hearts, they say, none the less cling to the land of their birth. They desire to go to Central America, there to be temporarily protected, so that they may not be wholly excluded from us and that they may aid in bringing to us that great commerce of the Pacific, which will still further increase the wealth and power of our country.

Ultimate Victory Seen: A letter has been received by a high official in Washington from General McClellan, giving most enthusiastic accounts of the spirit which pervades the Army of the Potomac — thus leaving no doubt of the ultimate victory of the Union Troops. The letter contains other highly interesting matter, not proper to communicate.

Today's Talk

THINK EVERYTHING OVER
Most of our mistakes are made through not thinking at all. A few are made because we did not think enough.

In studying men and women of action of the world, I have always been impressed with the fact that they have been men, or women, who apparently made decisions on the spot, without very much thought. But upon further study, I have always learned that the great men and women of decision have been those who were constantly thinking — thinking while they walked, rested, even when engaged with others in conversation.

So that, when an emergency arose, these men or women had but to master their wisest reserves and demand an instant decision.

It always pays to think things over — especially when you are irritated and about to give vent to your feelings or passions. All of us have regrets. Things we said we wish might have been recalled. Things we have written that we wish we never had. Thinking things over saves a multitude of aches and pains of the heart. We also view things differently at different times of the day. A decision we might have made in the evening is brushed aside in the morning.

It often pays to "sleep on a plan." Important things should be decided when you are happiest. When you have a question to decide it is well to think it out from all angles. By putting yourself in the place of all concerned the atmosphere is cleared and you arrive early at a plan of action. Before you decide to do something mean or degrading to yourself, think it over. He or she whom you may wish to upbraid may refuse to stoop to your level. You can never recall bitter or unwise acts or words.

Think everything over. Then do the thing you plan — or don't!

Tomorrow Mr. Adams will talk on the subject: "The Best Of You"

Just Folks

WORDS
Words are like seeds! They fall about

In other lives to germinate;
To root a little while and sprout
And bud in deeds of love and hate.

A hurtful word, a jibe or jeer
Within the wounded breast may lie

In bitter blooms to reappear
Past numbering as time goes by.

Not now the blossom or the thorn
Is seen or felt. In years away
The beauty or the shame is born
Of many a word that's said today.

SAYS TRAINING FOR NEW JOBS IS KEY TASK

By FRED WALTERS
HARRISBURG (AP) — Training the unskilled and semiskilled for new jobs may become one of the most important tasks of public education in the '60s, says a state specialist.

This opinion of George E. Ellison, of the Bureau of Industrial Education in the Department of Public Instruction, is based on several facts.

It has been estimated that each year automation eliminates several thousand jobs.

JOB GO BEGGING

Pennsylvania's major industries of mining and steelmaking provide work for fewer and fewer people.

Each year, thousands of jobs go begging for lack of qualified applicants while hundreds of thousands futilely seek employment elsewhere.

For 10 years, Pennsylvania has had an active program for teaching skills that would qualify the unemployed for new work.

In the past year the federal government has adopted two programs that give additional hope to state specialists in retraining.

GET FEDERAL AID

One, under the Area Redevelopment Act of last year, provides federal funds for training programs in areas of chronic high unemployment.

The second, only recently adopted, is the Manpower Act, setting up broader retraining programs.

John P. McHenry, director of the Bureau of Employment Security's Planning Bureau in the Department of Labor and Industry, estimates the federal programs will increase the number of Pennsylvanians learning job skills by 50 per cent.

There are now about 47,000, including 27,000 high school vocational students and 20,000 adults.

SHINING EXAMPLE

The Pennsylvania program served as a shining example and also provided the leadership for the recent federal action.

The federal program provides \$33 a week subsistence to the trainee for a maximum of 16 weeks, and the manpower program may provide weekly benefits up to a year. No subsistence is provided under the state program.

Under ARA, however, federal funds are available only in areas with a record of unemployment well above the national average for a prescribed time.

It is indicative of Pennsylvania's economic ills that 50 of its 67 counties qualify.

COURSES OPERATING

Training courses under ARA now are in operation in these communities (trainees and type of program in parentheses): Pottsville (60, maintenance mechanic, sheet metal machine operator); Hazleton (41, stenographer, welder); Johnstown (25, draftsman); Nanticoke (20, machine tool operator); Ashland (16, automatic transmission specialist); Erie (64, welder, machine tool operator); Scranton (68, automatic transmission specialist, electronic mechanic, machine tool operator); Conneville (32, dry cleaner, hand presser); Pittston (12, welder).

At Pittston, 12 men took an eight-week course in welding (a second class now is underway) and 10 of them were employed.

Nine persons took a six-week course in aluminum sash and door making at Donora, finishing April 6. Six have prospects of employment soon.

PLACE 1,700 YEARLY

At Newport, 80 were given a two-to-six-weeks course in boot and shoe production; 28 have found jobs and many of the others are expected to go to work in a local plant soon.

The federal government has approved additional courses at Canonsburg, in the Sayre-Athens-Towanda area, Scranton, Conneville, Pittsburgh, Mount Carmel and Mount Union, but arrangements are still being worked out.

Proposals for programs at Pottsville, Sunbury, Uniontown and Conneville await federal approval.

The courses completed, in operation, approved or awaiting approval provide for a total of 1,673 trainees.

The state-financed program has placed an average of 1,700 persons a year in jobs.

A Lovelier You

By MARY SUE MILLER

AGELESS FASHIONS. If you were to make a list of best-dressed women, you would find that the majority are of a mature age. Fashion expertise—the ability to select and wear clothes with a sure touch—requires experience. Still many mature women fail to fulfill their potential for fashion

distinction. They either cling to the trappings of their youth or retreat into a dowdy kind of conservatism. Both tactics are aging, neither holds appeal.

Actually there is no age ceiling on fashion. The best of it is ageless. A mother and daughter wear the same general type of shirtwaist dress, the same sleeveless and bloused sheath. In some areas, of course, designs are more sophisticated for the woman than for the girl, evening and at-home clothes being the principal examples.

It follows, like birthdays, that if you would dress attractively in mature years, you must keep abreast of fashion. Then you must adopt from current styles and colors only those that enhance your figure and coloring. Flattery is more vital now than when you were a slip of a girl. But do be analytical on the subject of flattery. A black dress, so ravishing at 20, could make you look sallow at 40.

Above all, consider the fashion details that conspire against time—make the difference between the cute girl and the distinguished woman: Fine fabric, good workmanship, quality accessories. For the looking, the look can be had in every price range. Simply seek and you will find!

MOST FLATTERING COLORS

In fashion, nothing makes you lovelier than color. It can enhance your skin, hair, eyes and figure; it can express your individuality and style. Great powers, those! To learn how to put them to work for you, read our leaflet, "YOUR MOST FLATTERING COLORS." To obtain a copy, send your request to Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope and five cents in coin.

MOTHER, SON GET DIPLOMAS

By BILLY BOWLES

DOVER, Tenn. (AP) — She's Margie to most of her high school classmates and teachers. But to one senior who will get his diploma with her next Friday, she's mom.

It was an especially joyful Mother's Day for Margie Page as she walked beside her son Cecil Sunday in the school's baccalaureate procession.

"I was determined I would start and finish with my son," she said. It was an ambition born of necessity. Her husband, S. S. Page, was disabled in 1951, and bread-winning chores fell to Margie, 38, mother of two and a grandmother.

She had completed the eighth grade as a young girl. When Cecil entered high school, she decided she might as well join him, despite the fact most of Cecil's teachers were of her own generation.

OPERATED RESTAURANT

At first she operated a restaurant in the morning and attended classes in the afternoon. Later she gave up the restaurant and now does clerical work in the county highway department office at Dover.

Classmates treat her like one of the gang, Margie says, and teachers do the same. She recalls with amusement a reprimand she received for chewing gum in teacher Jack Whaley's class.

Cecil says it seemed perfectly natural to attend classes with his mother.

"I didn't think anything about it until somebody mentioned it to me," he says. "You would expect a lot of kidding but there wasn't any."

Margie danced with her son at the senior prom, which she attended in the dual role of chaperone and pupil.

Her husband and married daughter will be in the audience when she and her son again walk side by side down the aisle. Her two grandchildren will be there, too.

India's President Takes Office Oath

NEW DELHI (AP)—Sarvepalli Radhakrishnan, 74, took the oath Sunday as India's second president and called on her 475 million people to settle their differences over religion, language and other issues.

Radhakrishnan had served as vice president for 12 years. He was named to the figurehead presidency by parliament and the state legislatures after ailing Rajendra Prasad decided to retire.

ADAMS COUNTY PUBLIC LIBRARY

MRS. W. R. SCHUBART

It is a curious thing that one of the most popular books in the library in recent weeks is, of all things, "Practical Taxidermy." Could people be preparing for migration of their souls? The book was written by John W. Moyer, staff member of the Chicago Natural History Museum. For beginners and experts, the working guide describes 'step-by-step' techniques for skinning hides, curing skins and mounting and finishing displays in a life-like manner. And, says the jacket, "you can learn in detail how to prepare decorative game heads and fur rugs." The cover shows attractive mounts of a frog on lily pads, and a squirrel jumping through brush, but that is as much as can be said, for the book does not sit still long enough to be perused for itself.

A good book for travelers to refer to is "A Pictorial Guide to American Gardens," by Louis H. Frohman and Jean Elliot. This book lists the gardens — both public and private — which tourists may visit in every state of the Union. Each garden is described for its outstanding features, and information is given on the best routes to reach them, and times and costs for admission. Some listings are conservatories, like in Phipps in Pittsburgh or Longwood Gardens in Kennett Square; some are connected with restaurants. Hershey Park is included of course. And it was a pleasure to find also, "Latch-out Garden," Fairfield, the beautiful place created by the late Rev. and Mrs. A. W. Geigley, who so generously invited the public to their very doorstep. Their display of 6,000 tulips is spectacular, and roses bloom by the hundreds all summer long.

An awfully funny book which doesn't take long to read is "Lucky Jim." It is the first novel of the British author, Kingsley Amis, and was written nearly 10 years ago. It's the kind of laugh-out-loud book you can enjoy for its satire, wit, and slapstick comedy, as Amis pokes the stuffing out of British university life. His description of Jim's escape from an "arty" weekend by getting drunk, burning the bedclothes of his boss's wife, and the subsequent hangover, is worth reading for that episode alone.

BABY STRANGLED

WILKES-BARRE, Pa. (AP)—Six-month-old Joann Roskowski was strangled with a cord Sunday and police arrested her mother, Mrs. Charles Roskowski, 27, a deaf-mute of suburban Hanover Township. Police said she had been discharged recently from a mental hospital.

Bullets Bomb Mules 13-5; Host LaSalle Today, D-son Tuesday

Eleven base hits and some fancy base running enabled the Gettysburg College baseball team to roll to a 13-5 decision over Muhlenberg here Saturday afternoon in a Middle Atlantic Conference University Division contest.

The win keeps the Bullets in the tight race with Rutgers for the MAC title. Gettysburg is now 9-5 on the season and 6-1 in MAC play. Muhlenberg is 1-10 on the year and 0-8 in the league.

Ted Koerner went the distance on the mound for the fifth straight time for Gene Hummel's squad. Koerner is now 5-1 on the season and, in going all the way, struck out seven, walked three and allowed eight scattered hits.

SCORE EARLY

Gettysburg jumped on the Mules in the first inning with a trio of runs. Jerry Robertson singled to right, Rick Taylor followed with a solid triple to left-center while King Gore walked and stole second. Bill Jacobsen hit into a fielder's choice, but the second baseman was upended on the play allowing Taylor and Gore to score. The Bullets went on to tally in four of the next seven frames.

Muhlenberg's big inning came in the fourth when Gary Hiller took first via interference on the catcher and scored on Bill Heller's triple to right. Heller scored on Dave Binder's ground ball to short.

Bill Heller paced the losers with a pair of safeties while Frank Martin, Jerry Robertson, Rick Taylor and Ted Koerner hit the same number for the Bullets.

The Bullets play their final MAC game here this afternoon at 3 o'clock with LaSalle and then complete their regular season with successive home games with Dickinson on Tuesday and Elizabethtown on Wednesday.

The Gettysburg College tennis team made it five straight wins by walloping Albright 8-1, Saturday afternoon on the Bullets' courts.

Bob Hulton has now guided his squad to a 5-2 mark which gives them a strong second place in the northern division of the Middle Atlantic Conference.

Jim Kurtz was the lone Albright winner as he defeated Bob Gray, 6-2, 6-2. Only two matches were forced to go three sets as Gettysburg sailed through the remaining six matches in two sets.

Gettysburg will be out to hang up its best season in several years when it meets Dickinson on Tuesday afternoon on the home courts. The Bullets will also be looking for a chance to stop the Red Devils 39-game winning streak and avenge an 8-1 setback earlier in the year in Carlisle.

PALMER, POTT PLAYOFF TIE IN GOLF OPEN

By MIKE COCHRAN
 FORT WORTH, Tex. (AP)—Faltering Arnold Palmer and youthful Johnny Pott set out today to square a little matter of \$7,000 and the championship of the \$40,000 National Invitation Golf Tournament.

Palmer, in one of his rare golfing lapses, necessitated an 18-hole playoff when he bogied two of the last three holes Sunday and missed a 12-foot birdie putt on No. 18 that would have given him his sixth current title.

The muscular Pennsylvanian soared to a 76 in the final round of the tournament and enabled Pott, with a one-under-par 69, to move from seven strokes back into a tie at 281.

An all-time record crowd of 16,000 watched Palmer sail his approach shot on No. 18 to within a dozen feet of the cup as Pott watched from the clubhouse ball, cony.

POTT IS STUNNED

But the putt rolled to the edge of the cup and died, and Pott, looking somewhat stunned, got another chance to pocket the \$7,000. The runner-up gets \$3,500.

Even more woeeful than Palmer was Bruce Crampton, an easy-going Australian, who should get the hard-look trophy of the 17th annual event.

Crampton, trailing Palmer by three strokes as the final round began, was even par through 71 holes and could have won his first title this year by paring the 18th.

But he slammed his second shot into the water on the left side of the green and was tagged with a penalty stroke. He put his fourth shot five feet from the hole, then missed the putt that would have given him a tie.

GETS \$2,500

The double-bogey six, his second at 18 in two days, gave him a 74 and third place at 282, two over par. It paid \$2,500.

Former national amateur champ Jack Nicklaus, who has finished in the money 15 of the 16 times he's played as a professional, trimmed one stroke from par for a 69, a 284 total, fourth place and \$2,000.

HARRISBURG (AP)—The fifth annual Big 33 all-star football game—featuring some of Pennsylvania's top schoolboy talent—will be played at Hershey Stadium, Aug. 4.

Al Clark, executive sports editor of The Harrisburg Patriot-News and president of the Big 33, set the date this weekend after announcing that the contest has been sanctioned by the National Collegiate Athletic Association.

Only 1962 high school graduates will be eligible. The classic has drawn nearly 80,000 fans since its inception in 1958.

Clark said the teams and coaches for the game will be named at a later date.

GIANTS RETAIN LEAD; LA NOW IN 2ND PLACE

By JIM HACKLEMAN

Associated Press Sports Writer

"Anything Willie Mays can do, Vada Pinson can do as well."

That's Cincinnati Manager Fred Hutchinson on the subject of two dazzling National League center fielders, his own Pinson and wondrous Willie of the San Francisco Giants.

Vada had another productive afternoon Sunday with his 11th homer and a triple as the Reds won their fourth in a row, beating Pittsburgh's faltering Pirates 6-4. Cincinnati's unbeaten Bob Purkey became a six-game winner with able relief help.

Meanwhile, even with Mays continuing his slump with an 0-for-5 performance, the Giants had little trouble romping over Houston 7-2 and holding onto their four-game lead.

CUTS OUT OF CELLAR

Elsewhere in the NL, Los Angeles leap-frogged over St. Louis into second place, edging the Cardinals 4-3; Chicago eased out of the cellar in a doubleheader sweep over Philadelphia, 8-7 and 8-5 with reliever Barney Schultz winning both games; and Milwaukee dumped New York into last, trimming the Mets 3-2.

Pinson took over the major league leadership in home runs when he socked No. 11 against the loser Bob Friend (4-3) in the first inning. Then, after a three-run homer by Jim Marshall helped pushed the Pirates in front 4-1 in the third, Vada tripled in one run in the bottom of the inning and rode in on Frank Robinson's homer.

Cincinnati regained the lead in the sixth when Leo Cardenas singled in Gordie Coleman and added another run in the eighth on two errors by Dick Groat, a sacrifice and a pinch single by Joe Gaines.

JOHNSON WINLESS

Orlando Cepeda, Jim Davenport and Jose Pagan gave right-hander Jack Sanford his prime support in the Giants' runaway over Houston. Cepeda and Davenport rapped three hits each, while Pagan homered in the decisive fourth-inning and also had a single.

Sanford (4-2) went the distance, allowing six hits, and was one out away from shutting out the Colts when Roman Mejias' double and Norm Larker's single chased in the Houston runs.

The loss went to winless Ken Johnson, now 0-5.

The Dodgers regained second by cashing in all four of their runs in the eighth, aided by Ken Boyer's throwing error. Held hitless by Larry Jackson (3-4) for five innings and behind 2-0 after seven, the Dodgers drew even on Larry Burright's double, a walk, and Boyer's bad throw on a sacrifice attempt.

CUT OFF RALLY

Tommy Davis singled across the go-ahead run and John Roseboro's fly brought in the clincher. The Cards kicked up for one run in the ninth, when the Dodgers used three pitchers to stem the rally. Los Angeles starter Johnny Podres (3-2) was the winner.

Schultz (3-1), a workhorse who's now pitched in eight straight Cub games, went a total of 4-1-3 in his two victories. The Cubs amassed 23 hits all told, 13 of them extra basers, including two homers by George Altman, and one each by Ernie Banks, Billy Williams, Lou Brock and Ken Hubbs. The Phils weren't far behind with 22 hits, getting homers from Billy Klaus, Ted Savage and Tony Taylor. Jack Baldschun (1-3) and Chris Short (1-2) were the losing pitchers in the see-saw doubleheader.

Frank Bolling's two-run homer in the eighth powered the Braves over the Mets as Cecil Butler (2-0) threw a six-hitter in his first big league start. Roy McMillan also homered against Jay Hook (2-2).

BLOOMSBURG IS WINNER; RAMS SECOND

SHIPPENSBURG, Pa. (AP)—The Bloomsburg Huskies stashed away another State Colleges Conference track and field championship this weekend behind the stellar running and jumping of junior sprinter Roy Peffer.

It was the second straight title for the Huskies and their sixth since conference competition began.

Peffer took top honors in the 220-yard low hurdles, finished second in the high hurdles and came in third in the 100-yard dash and broad jump to nail down 15 points.

Bloomsburg won the match with 46½ points. West Chester finished a close second with 43½ points.

Peffer got able help from teammates Ed Cocco and Gary Edwards. Cocco won the 100 and 220 yard dashes, while Edwards took top honors in the shot put event and the discus throw.

3 MARKS BROKEN

Three conference records were shattered during the meet. Russ Hopewell of East Stroudsburg leaped 23 feet, 10½ inches in the broad jump, smashing his old mark of 22 feet, 6½ inches. Bob Johnson of West Chester ran the 440 in a record 50.1 seconds and Dick Shirey of Slippery Rock won the 2 mile sprint in a record breaking time of 9:41 minutes.

Shirey's time was 2.4 seconds less than the old record set by Terry Engleman of Bloomsburg.

Bill Lewis of Shippensburg also turned in an outstanding performance, capturing the 120-high hurdles title, finishing third in the low hurdles and tying for third in the pole vault.

Following Bloomsburg and West Chester in the team competition were Slippery Rock with 42 points, Shippensburg with 36½ points, East Stroudsburg with 17½ points, Millersville and Kutztown with 11 points each, Lock Haven with 10½ points, Edinboro with 8 points and Cheyney with 7½ points and Indiana with one point.

JOHNSON WINS BY DECISION; SEEKS FIGHT

By RALPH BERNSTEIN

Associated Press Sports Writer

PHILADELPHIA (Pa.) — The light heavyweight champion of the world but California is going to have to await the pleasure of his manager before he knows when his next fight will be.

Harold Johnson of Philadelphia successfully defended his National Boxing Association crown in Philadelphia Saturday night by winning a unanimous 15-round decision over challenger Doug Jones of New York. In doing so he added New York State, Europe and Massachusetts to his title domain.

New York, Europe and Massachusetts joined the NBA in unfrocking Archie Moore and recognizing the Johnson-Jones winner as undisputed light heavyweight champion. California remains adamant in looking to its home-bred Moore as the division king.

EXPERIENCE WINS

The 33-year-old Johnson, weighing a surprisingly light 171½ pounds, lived up to his reputation as a master boxer. His 16 years of experience was written all over his actions as he speared the younger Jones with jabs, battered him with overhand rights and counterpunched the junior fighter into submission. Jones, 25, also weighed 171½.

Most of the post bout talk was on what's ahead for the champion. Officials from Madison Square Garden and a representative of a German promoter swarmed around him in his dressing room.

The Garden wants him to fight Zora Folley in a nontitle bout June 9. The German promoter wants Johnson for a title fight against Gustav Scholz in West Berlin June 16.

The decision rests in the hands of Pat Oliveri, Johnson's manager of record, who has a temporary injunction prohibiting the champion from fighting without the manager's permission.

Johnson's purse was \$20,000 plus 40 per cent of the gate. A crowd of 5,137 paid a gross of \$31,784.

The new top ranked instructor passed a specified series of tests and served a prescribed period of time in training activities before receiving certification. He is now qualified to conduct classes in gun operation, safe gun handling and techniques of shooting on the target range and in the field to all interested members of the community.

Mummert joins the ranks of selected personnel which the NRA maintains throughout the country in a nationwide small arms education program. The program has been in operation since 1876 and since that time millions of people have been taught to handle and enjoy firearms safely.

Gettysburg racked up its first victory in the South Penn baseball league by defeating winless Harney 5-2 here in a well-played game on Sunday.

Vance Johnston pitched the entire game for the locals and allowed but three hits while fanning six. Manager "Skip" Fisel backed him up with a single and home run to lead the seven-hit attack.

Fairfield remained unbeaten by turning back invading McSherrystown 5-2. Guy Weikert pitched the first five and two-third innings for Fairfield and gave up four hits and two runs, yielding to Sites in the sixth after his arm tightened.

Sites allowed but one hit in his relief role. Calmer and Sites each rapped a single and double and Don Shriver and Dick Reese two singles each for Fairfield. McSherrystown six singles were hit by a half dozen players.

LOOSELY PLAYED

In a loosely played game in which only two runs were earned, Brushtown upended New Oxford 6-4 at Brushtown. A double by Jim Wolf with the bases loaded in the last of the sixth drove home a pair of runs for Brushtown to knot the score. Two errors and a single by Tub Roth produced the winning tallies in the seventh. E. Roth collected three hits for the winners. G. Billman reached base five straight times for New Oxford and Ron Weigle pined three hits, including a pair of triples.

A triple by Dick Decker scoring Kermit Singley in the top of the 10th enabled Mummasburg to nip Cashtown on the latter's field 6-5. Cashtown had knotted the score with three runs in the seventh on a hit by Biesecker, walk to Chapman and singles by G. Herring and Bill Singley.

Taneytown tabbed four runs in the bottom of the sixth and went on to a 6-1 decision over Arendtsville. The lone run for the losers was a home run by Shultz in the top of the eighth.

Littlestown edged Bonneauville on the latter's field 7-6.

INDIANS TAKE 1ST PLACE IN TWINBILL WIN

By JOE REICHLER
Associated Press Sports Writer
A year ago about this time Cleveland right-hander Dick Donovan had a pitching percentage of zero (0-5 for Washington). Cleveland second baseman Jerry Kindall was batting zero (0 for 5 in 7 games for the Chicago Cubs) and the Cleveland team had a zero winning percentage against New York (0-2).

Today, Donovan leads all pitchers in the American League with a 6-0 record. Kindall is batting .277 but .364 in seven games against the Yankees and the Indians have beaten the world champions five of seven.

These statistics more than anything else explain why the Indians are in first place, a half game in front of the Yankees who they whipped in both ends of a Sunday doubleheader 6-4 and 8-5.

TWINS IN THIRD

With only a little more than a month of the season gone, the Indians, under freshman manager Mel McGaha, already have beaten the Yankees more times than they did all last year under manager Jimmy Dykes. In 1961 when the Indians finished fifth, 30½ games behind the Yankees, they won only 4 of 18 from New York.

Minnesota: vying with Cleveland for the No. 1 surprise in the American League, clung to third place, only 1½ games off the pace, crushing Kansas City 10-3. Chicago's fourth-place White Sox outslugged Los Angeles 15-6. Baltimore nipped Washington 3-2 and Detroit edged Boston 6-5.

The Indians pounded Whitey Ford and four more New York pitchers for two dozen hits, including four home runs. Catcher Johnny Romano had a three-run homer in the first inning of the first game contributing largely to Ford's second defeat of the season. Kindall also had a three-run homer. His came in the fourth inning of the second game, off rookie Jim Bouton.

GOES DISTANCE

Cleveland added one more run in the fifth and three in the sixth to go ahead 7-5. Rookie outfielder Ty Cline's single tied the score and Chuck Essegian followed with a two-run single off loser Roland Shelden.

Donovan's sixth straight victory came in the opener by way of a five-hitter Barry Latman, in relief, was credited with the second game triumph.

Veteran Vic Power and rookies Bernie Allen and Joe Bonikowski teamed up to bring Minnesota its 11th victory in the last 15 starts. Power drove in five runs with a grand slam homer and a single. Allen boosted his average 29 points to .260 with four hits, including two doubles and his fifth home run. The right-handed Bonikowski, in his first major league start, went the distance for his third victory in four decisions.

The White Sox sent 12 men to bat in the eighth inning, scored seven runs and broke a 5-5 tie with the Angels. Mike Hershberger had two singles in the big inning and Floyd Robinson drove in two runs with a fielder's choice.

Dick Brown and Dick McAuliffe got all Detroit hits (4) and drove in all the team's runs (6) in the Tigers' one-run victory over Boston. Brown had two home runs and a single and drove in three

Japan Is Seeking Millions To Pay U.S.

TOKYO (AP) — The Japanese government today studied ways to start payment of \$490 million owed the United States by December as scheduled despite Parliament's failure to allocate necessary funds before adjourning Monday.

U.S. Ambassador Edwin O. Reischauer told Foreign Minister Zentaro Kosaka a delay could damage the confidence in Japan that had been building up in the United States in regard to the re-payment issue.

Parliament approved an agreement to repay \$490 million for aid received under relief and economic rehabilitation in occupied areas in the immediate post war years. But a separate bill to provide the funds was pigeonholed.

HOMER UPSETS JIM PIERSALL

BALTIMORE (AP)—Jim Piersall was depressed . . . and impressed.

The fiery Washington outfielder was depressed because a ball hit by Baltimore's Earl Robinson in the ninth inning of Sunday's game was ruled fair, giving the Orioles a 3-2 victory.

He was impressed by the luck of the Orioles on the one-in-a-million shot, which third base umpire John Flaherty said dropped into a small triangular space between the left field bleacher wall and a fence which cuts diagonally across the foul line.

"I'd bet money on the Orioles to win the pennant," Piersall said today. "After that, they can't lose."

HEARD BALL HIT WOOD

Piersall, playing center field, played umpire with his ears—contending the ball was foul because "I heard it hit wood." The diagonal fence is wood. But a ball dropping into the corner would have to rebound off wood, even if fair. Left fielder Jim King, using the visual method, contended the ball was foul by about six inches.

Piersall led the argument, climbed a fence in left field to peer down into the area where the ball fell, and had to be restrained by teammates as he disputed the ruling.

The towering fly ball failed to reach the bleachers at the 309-foot foul line marker. But there was a mark on the wall—about four inches fair and below the top of the fence—which could have been made by a baseball.

Kobe, Japan (AP)—Sixty-three sailors from the U.S. 7th Fleet donated blood Saturday for injured Japanese survivors of last week's Tokyo train crash which killed 158 persons and injured 325.

The donation, eighth offered by officers and men of the fleet, came from seamen aboard the destroyers Duncan and Manfield and the aircraft carrier Coral Sea.

McAuliffe also batted in three runs, with a triple after loser Galen Cisco had filled the bases with walks.

A disputed ninth inning home run by Earl Robinson snapped a 2-2 tie and brought victory to Baltimore over Washington. The ball hugged the left field foul line and was ruled fair by third base umpire John Flaherty over the objections of the Washington team.

RODGER WARD TO START 500

INDIANAPOLIS (AP) — Former winner Rodger Ward will start his 12th straight 500-mile auto race May 30 in the front row, flanked by the hottest young drivers the Indianapolis Motor Speedway has seen in many years.

Ward, who has been no worse than third in the last three Memorial Day classics, will be sandwiched between Parnelli Jones, first driver to break the one-minute barrier at the 2½-mile track, and smooth Bobby Marshman.

Th 28-year-old Jones, defending champion of the USAC spring car circuit, led twice in his first Indianapolis appearance last year but fell back to 12th after his magneto went sour and he caught a flying bolt over one eye. Marshman started dead last, 33rd, and finished seventh.

SENSATIONAL RUN

Jones, from Torrance, Calif., and the 25-year-old Marshman, of Pottstown, Pa., were sensational in the 10-mile qualifying runs which will continue next weekend. Jones upped the record to 150.37 miles an hour with a record single lap at 150.729. Marshman's 149.349 average was third-best, behind Ward's 149.371.

A. J. Foyt Jr. of Houston, Tex., last year's winner and USAC national big car champion the last two seasons, will start directly behind Ward in the middle off the second row with a 149.074 qualifying mark.

Twenty-one cars have qualified, leaving 12 starting spots to be filled next weekend. All are powered by conventional Offenhauser racing engines except a rear-engine Thompson Special qualified at the good speed of 147.886 by Dan Gurney of Costa Mesa, Calif., a veteran of European road races.

In his first appearance at the Speedway, Gurney put a stock-block car into the lineup for the first time since Harry Miller built a series off souped-up Fords in the 1930s.

FRESNO, Calif. (AP) — Don't let Oregon's tenth place finish in West Coast Relays team scoring fool you.

Six men from that university dominated the meet. The Webfoots today need only victory in the NCAA championship to complete their rise to the pinnacle of collegiate track.

"The NCAA is our main objective—that's one everyone is pointing for," says Keith Forman, a slender junior whose 4:03.0 and 4:00.7 miles typified the Oregon effort.

Oregon opened the meet Saturday by smothering the world four-mile relay record held for several years by foreign national teams. Forman's 4:03 and Dyrrol Burleson's 3:57.9 followed 4:04 miles by Archie San Romani Jr. and Vic Reeve.

They totaled 16:08.9 and nearly left New Zealand's old mark of 16:23.8 out of sight. Burleson's last leg won him the meet's outstanding collegian trophy.

Forman returned seven hours later and won the open mile in a shade over four minutes.

Sprinter Harry Jerome, aided by a 9.9 miles per hour wind, won the 100 yard dash in :09.3 and said the race wasn't even hard. Jerry Tarr breezed to a :13.7 win in the 120 yard high hurdles for Oregon's fourth victory in four attempts.

Biggest disappointment to the nearly 15,000 fans came in the pole vault. John Uelses and Dave Tork, in their first meeting as 16-footers, wound up in a five-way tie for first at 15-2½.

from behind and give them a 3-2 victory over the New York Mets.

Pitching—Dick Donovan, Indians—pitched a first game five-hitter for his sixth victory as the Indians defeated the Yankees in both ends of a doubleheader 6-4 and 8-5.

Girl Saves Three And Then Is Killed

WOODBURIDGE, N.J. (AP)—An 11-year-old girl saved her brother, sister and a cousin before she was struck and killed by a passenger train locomotive.

Victim of the accident Friday was Ruby Demetro.

Police said the four children were walking single file on the track. Ruby in the rear. When she heard the train she pushed her brother, Denny, 7, who was in front of her, to safety. She cried out and her sister, Jane, 5, and cousin, Frank Miller, 6, ahead of Denny, managed to leap free.

WRIGHT WINS IN OVERTIME

MONTGOMERY, Ala. (AP)—A birdie on the 72nd hole and a par on the fourth hole of a sudden death playoff gave Mickey Wright the Women's Western Open Golf Championship—and a big boost in her drive toward a grand slam.

The birdie on the final hole of the fourth round Sunday tied Miss Wright at 295 with defending champion Mary Lena Faulk of Sea Island, Ga. Both parred the first three sudden death holes, but Miss Faulk missed the green with her drive on the short fourth.

Miss Wright, who had 4-over-par 76 in the fourth round, picked up \$1,200 for her victory. Miss Faulk, who closed with a 75, won \$950.

Her Western triumph puts Miss Wright halfway home in her quest for a 1962 grand slam in women's golf. She won the Titleholders at Augusta, Ga., earlier this year. The other two major tournaments still ahead are the Ladies PGA Championship and the Open. Miss Wright won all except the Western last year.

Patty Berg of St. Andrews, Ill., a seven-time Western champion, had a 75 and 296 and tied for third with Ruth Jessen of Seattle, who closed with a 77.

Why Bill Scranton will win in November!

Certainly it's no secret to the Democrats who have run against him in recent elections. Bill Scranton has general appeal . . . and very genuine appeal.

Bill Scranton knows how to capture votes deep in enemy territory:

★ In 1960 he was elected to Congress from the 10th District by a majority of nearly 18,000 . . . despite a Democratic registration lead of 34,000!

★ In the same election he carried Lackawanna County where the Democrats had a registration lead of 50,000!

★ And last year under his leadership the Republican candidate for mayor was elected for the first time in 16 years in Scranton—against a Democratic registration lead of over 20,000!

This leaves little question. He is the only strong contender for the Republican gubernatorial candidacy. Be sure to support him in the primaries, May 15. Start Bill Scranton off with a tremendous majority vote of confidence May 15 . . . for a roaring Republican victory in November!

BILL SCRANTON IS THE ONLY REPUBLICAN CANDIDATE FOR GOVERNOR WHO CAN WIN IN NOVEMBER! REPUBLICANS VOTE TUESDAY MAY 15

HIS PARTY'S CHOICE!

Your Republican County Chairmen see the great vote-getting potential in Bill Scranton. An overwhelming majority of these leaders drafted him as their choice long before Bill decided to run!

The International Association of Fire Chiefs, at a recent meeting, reported that 1,050 firemen were injured in 245 fires. These blazes also resulted in the death of 12 firemen.

The IAFC said that, of the 1,050 injured, 746 were victims of smoke inhalation, eight dying from this cause alone.

The 245 fires analyzed represent a nationwide sampling of fire reports published in the nation's press and are not confined to any particular community or type of fire. The period covered by the survey extends over one three-month period of late last year and two one-month periods of this year.

The latest 30-day study analyzes 57 fires which resulted in the deaths of four firemen and injury to 164. Of these, smoke inhalation (carbon monoxide or other toxic gases in the smoke and fires, or a related oxygen deficiency), the IAFC reported, brought death to three and injuries to 136, with 38 of them requiring hospitalization.

The survey emphasizes what the IAFC terms a dire need: More personal protective equipment for firemen and adequate training in use of that equipment. Most important, according to the IAFC, which represents the leadership of the nation's fire service, is an educational program to alert municipal heads to the need for this equipment. It is designed to protect not only firemen but also help them reduce the alarmingly high number of lay deaths and injuries. These often occur because of a fireman's inability to reach the victim when he is not wearing respiratory protection.

French police finally caught up with a mass production factory of modern masters that were so good they were sold to galleries throughout Europe. Forgeries of Picasso, Braque, Miro and Leger were actually made to order — sometimes in less than an hour! Head of the group was a 32-year-old artist who studied under Fernand Leger and was considered a highly-gifted artist. But when he found that painting under his own name did not sell he switched to forgeries and in two years sold an estimated total of \$250,000.

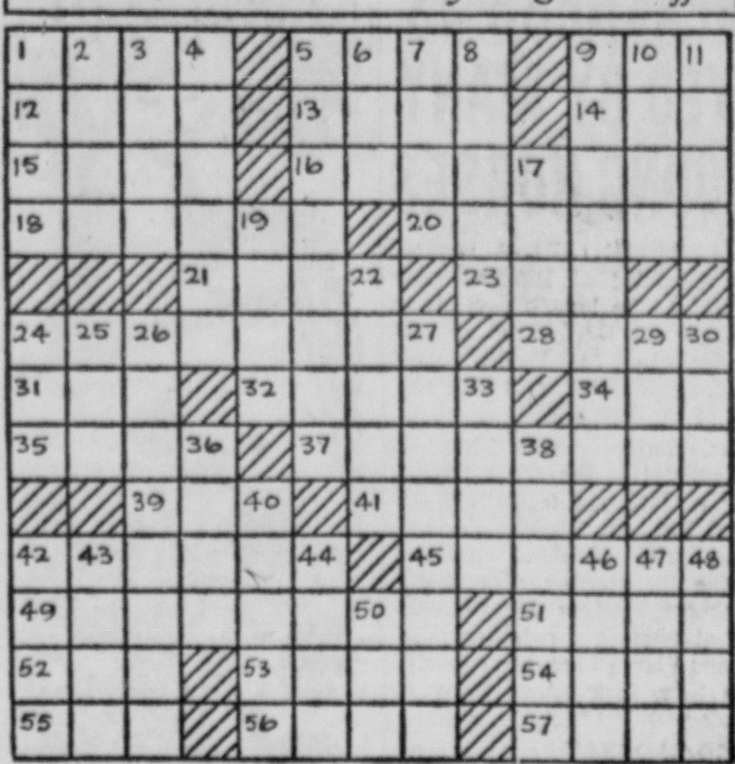

Remember the story about the artist who covered his nude model with paint and then dragged her across the canvas on the floor of his studio?

Now listen to this one: A London artist was fined for driving his paint brush without a license. He took a roll of canvas 40 feet long and laid it out on the road. On the canvas he spread 142 tubes of oils and two gallons of liquid paint. Then he borrowed a car and drove it back and forth over the canvas at five miles an hour. Unfortunately for him he did this all without a driver's license and had to pay a fine of 10 shillings. He announced, however, that he had already sold two yards of his painting and the balance was available at 75 guineas per yard.

Eastern League

By THE ASSOCIATED PRESS

"I've been told by the parent club that I have to pitch at least 300 innings in Binghamton this year and that the only way I could be brought up to the majors this season is if I experience an exceptional season. I plan to do just that."

Low Krause said it. The Kansas City Athletics' \$125,000 bonus pitcher made the statement just before the start of the Class A Eastern League season April 23. He had spent the previous season with the A's just out of Chester, Pa., High School. During spring training this season it was decided he needed more experience and he was shipped to Binghamton.

Krause is getting plenty of work. He made his fifth start for Binghamton Sunday as the Trips defeated Springfield 9-4 with Krause (3-2) getting the victory but needing relief help in the seventh after he walked two batters. **RIGHT ON SCHEDULE**

So far the right-hander has pitched 37 1-3 innings in the 20 games Binghamton has played, with a 140-game schedule Krause should near the 300-inning mark, if the current pace is continued. He has pitched two complete games.

In other games Sunday, Jim Liggett's solo homer gave Elmira a 3-2 victory over Charleston and lifted the Pioneers to within a game of the league-leading Indians and a half game from second-place Williamsport. Williamsport lost 4-1 to York, which is in a third place tie with Elmira.

Krause, who was in trouble

most of the game as he gave up eight hits and four runs in the 6-13 innings he worked, was replaced by Manager Granny Hamner who ended a seventh inning threat and didn't allow a run the rest of the way. When Hamner came on, Binghamton was leading 7-4. Hal Kunkel was the loser.

275 PERSONS BOLT SERVICE AFTER OUSTER

NEW YORK (AP)—The ouster of the Rev. Dr. Stuart Hamilton Merriam as minister of the Broadway Presbyterian Church led Sunday to a protest by 275 persons who walked out of morning worship.

The supporters of Dr. Merriam filed to the downstairs auditorium, where a prayer service was held. The 125 persons who remained in the church proper heard an indictment of Dr. Merriam's ministry by the Rev. Graydon E. McClellan, chief administrative officer of the Presbytery of New York.

The Rev. Mr. McClellan gave an explanation of why the presbytery ousted Dr. Merriam from his pulpit at a closed meeting last Monday night. The presbytery—governing body for 62 Presbyterian churches in Manhattan, the Bronx and Staten Island—also removed the elders of the Broadway church and put a committee of the presbytery in charge.

Among highlights of the complaint against Dr. Merriam—as stated by the administrator—were that he had been too "rigid" in his approach to theological mat-

Timmins, 101 Main St., McSherrystown, who has been assigned to the United States Air Force technical training course for finance and statistical data specialists at Sheppard AFB, Tex. ters; and that he was not competent to minister to a church in the university and professional community in which the Broadway church is located.

The Rev. Mr. McClellan also said that "Dr. Merriam appears to have a compulsive desire for publicity." He said the elders were removed for not being "aware of the seriousness of Dr. Merriam's leadership deficiencies."

The Rev. Edward White, minister of the Good Shepherd-Faith Presbyterian Church and head of the special committee named by the presbytery to govern the Broadway church, made the comment to newsmen after the walk-out.

CHARGE IDOLATRY

"It appears to me that Dr. Merriam has led some of his people to worship him instead of Jesus Christ in the church we think of this as idolatry."

Dr. Merriam, who was in the church when his followers walked out, joined them in the service downstairs. Most of those who walked out were elderly persons or college students.

Dr. Merriam, 33, a bachelor, said after leaving the church:

"What has happened is that nonconformity has become a sin throughout American life. This is what I'm fighting."

He said members of the Broadway church were outraged by "the usurping of the legal rights of a called minister and a duly elected session by a presbytery which has formed itself into a seeming hierarchy."

GUILDFORD, England (AP)—Arthur Ringer, 34, started an 18 months sentence in jail today for being a back seat driver.

Police told the court Friday Ringer was a compulsive hitchhiker and when motorists who gave him a lift refused to go the way he wanted he had a habit of punching them.

ACCRA, Ghana (AP)—The Ghana government plans to stamp out polygamy.

A bill published Friday reversed the findings of a white paper issued 12 months ago which said a man could marry as many women as he wished but "can only register one wife."

PREAKNESS IS EYED BY MANY YOUNG HORSES

BALTIMORE (AP)—A workout was scheduled at Pimlico today for Ridan, the beaten favorite in the Kentucky Derby who will get another crack at Derby winner Decidedly in Saturday's 86th running of the Preakness.

Mrs. Moody Jolley's 3-year-old colt arrived at the track Sunday after a trip by van from Washington Park in Chicago.

The arrival of Ridan increased to nine the number of probable Preakness starters already stabled at Pimlico. Two others, Jaipur and Vimy Ridge, are expected from New York either today or Tuesday.

THIRD IN DERBY

Ridan finished third in the Derby after proving difficult to handle for jockey Manuel Ycaza, who complained that the colt tried to "bear in" with almost every stride.

Ycaza will be aboard again Saturday as he shoots for the winner's share of the \$150,000-added purse over the mile and three sixteenths distance.

George B. Widener's Jaipur won the \$38,600 Withers mile at Aqueduct Saturday. He covered the distance in 1:35 3-5 over a fast track, just two-fifths of a second over the Withers record.

DROKE RECORD

Like Jaipur, Vimy Ridge did not compete in the Derby. But the English-bred colt broke the American mile record for a turf course in winning the Senatorial Stakes at Laurel.

Decidedly set a record for the mile and a quarter Derby, taking charge late in the race. He'll have less time in the Preakness, which is a sixteenth of a mile shorter.

Roman Line, who finished ahead of Ridan in the Derby, will try again to block Decidedly's bid for the triple crown. Other Derby horses expected to compete are Sunrise County, Crimson Satan, Green Hornet and Prego.

Minoso Also Has Fractured Wrist

ST. LOUIS (AP) — Minnie Minoso suffered a fractured wrist as well as a fractured skull in his headlong dash into a concrete wall Friday night, X rays disclosed Sunday.

The 39-year-old St. Louis Cardinal outfielder was much improved Sunday night. But physicians said it would be four weeks at least before he could put on a uniform and two more weeks of conditioning before he could play.

Dr. Stan London said there was no pressure on Minoso's brain but the fracture was near a blood vessel which could exert pressure and require surgery.

Minoso had a lifetime batting mark of .304 in the American League with Chicago and Cleveland and averaged 18 homers a season.

The amount of revenue estimated to be derived from the tax is approximately Thirteen Thousand and Two Hundred (\$13,000.00) Dollars annually. This resolution is to be enacted pursuant to the provisions of the Act of June 25, 1947, P. L. 1145 as amended and supplemented.

Largest Engine Is Considered Success

REDLANDS, Calif. (AP)—The largest solid fuel rocket engine ever built by the United States is considered a success by officials.

It contains many features to be used in future moon rockets.

The engine—called an applied research motor—burned out its capacity of 160,000 pounds of solid propellant in 130 seconds with a mighty roar of flames in a test Saturday.

Lockheed Propulsion Co., builder of the engine, said it was capable of producing 400,000 pounds of thrust.

A Bit Of History About Early Settlers

By B. F. M. MacPHERSON

LATER YEARS OF HARRIET LANE JOHNSTON

The notes on Harriet Lane Johnston, the niece and hostess of President James Buchanan, are continued at this time.

At this point it might be well to explain that this series of articles on Mrs. Johnston is being written, not only for the benefit of the readers of this column but also in the hope that they will arouse enough interest in the subject that some additional facts pertaining to "Pennsylvania's First Lady," might be found. It is amazing that so little is known regarding quite a few periods in Harriet Lane's life. The only answer seems to be that she had "a grand and glorious bonfire" before her death in 1903. But — the fact remains — there are still living people who knew Mrs. Johnston during the later years of her life and there must be letters and other memoranda tucked away in attics and other odd corners that would shed a great deal of light, historically speaking, on many facets of her life and her period in history.

After the death of her elder son, James Buchanan Johnston, in 1881, Harriet Lane Johnston and her husband took their second son, Henry Elliott Johnston Jr., and went abroad. While still in Europe, their only remaining child died at Nice, France, on October 30, 1882 — just a little over a year after the death of his elder brother. The parents returned to America with the body of their son and he was interred in the Greenmount Cemetery, Baltimore, Md., in the Johnston family plot.

FATHER EXPIRES

On May 5, 1884, heart-broken over the death of his two sons, Henry Elliott Johnston, the husband and father, died and Harriet Lane Johnston was left to spend the autumn of her life bereft of close family ties.

Mrs. Johnston survived her husband for some 20 years and led a busy and useful life until the very end. It was during this period that she collected the famous works of art now known as the "Harriet Lane Johnston Collection"

in the National Gallery. She made many trips to Europe and was often the guest of King Edward VII and Queen Alexandra. Mrs. Johnston was a close friend of Mrs. Grover Cleveland and during Cleveland's terms as President was often to be seen at social functions with the First Lady. Mrs. Johnston owned a home in Washington, D. C. and other at Narragansett Pier — the latter used chiefly as the summer residence. She (Harriet Lane Johnston) made frequent visits to Mercersburg, Pa., the home of her ancestors and is remembered by some of the older residents, who speak of her as "a very great lady." The stately old house, built by her father, still stands on the Square in old Mercersburg. Here the future "First Lady" was born and here her father and mother and at least three of her brothers died. If the old house could talk what stories it could tell of joy and grief — of birth and death — of utter contentment and perfect peace.

Harriet Lane Johnston died on July 3, 1903, and the "Public Opinion," of Chambersburg, Pa., published her obituary — as follows: —

DIED IN 1903

"Harriet Lane Johnston Dead. 'Most Famous Lady of a White House' Was a Pennsylvanian."

"Harriet Lane Johnston, niece of President James Buchanan, and a native of Mercersburg, Pa., died at Narragansett Pier late Friday night, July 3, 1903. Her body will be laid beside those of her husband and sons at the Greenmount Cemetery, Baltimore, Md., today (July 10, 1903). Many men and women of national reputation will stand by her bier and be present at the ceremonies, especially statesmen of the old school, who knew the dead woman during the White House reign."

"Mrs. Johnston was born at Mercersburg in 1831, the youngest daughter of James Buchanan's sister, Jane Buchanan, the wife of Elliott Tolt Lane. Harriet Lane received her early education in her home town. From childhood

she was a favorite of her bachelor uncle, and her role as the hostess of famous men was taken up before she was out of her teens.

"Of Pennsylvania ancestry on her mother's side, Miss Lane was of aristocratic Virginia blood on her father's side. When 12 years old she was sent to Charleston, Va., for her further education. Afterwards her education was completed in the Georgetown Convent. Even before her school days were over her perfect and commanding figure, her deep violet eyes and heavy golden hair, her exquisite complexion and perfect profile gave her the reputation of the great beauty. Her wonderful musical abilities, in addition to her wit and unusual culture and wonderful conversational powers made her a brilliant woman."

"When James Buchanan went as Minister to England Harriet Lane accompanied him. She became a favorite with Queen Victoria and the royal family, and during her stay was one of the foremost ladies in the Diplomatic Corps at the Court of St. James. When James Buchanan became President of the United States Miss Lane was the mistress of the White House. She presided when the Prince of Wales (now King Edward VII) came to America and was the guest of President Buchanan for five days."

"The Inaugural Ball, given on the evening of Inauguration Day, March 4, 1857, was an especially brilliant affair, made so by the presence of Miss Lane. Her beauty turned the heads of everybody. She wore a simple white gown, with pearls about her throat and in her hair. It was plain to be seen that Buchanan was proud of the lovely girl."

(Note: — It was at the ball mentioned above that the brother of Anne Coleman, "Buchanan's lost love," came up to the President to greet him and shake his hand. According to a fairly reliable tradition President James Buchanan put his hands behind his back and said "I will not shake hands with a murderer." The President always believed this man was responsible for his broken engagement and hence the cause, indirect of course, of Anne Coleman's death.)

A data on Harriet Lane Johnston, Pennsylvania's "Mistress of the White House," will be concluded in this column next week.

TORONTO (AP) — Mitchell Sharp, former deputy minister of trade and commerce in the Liberal government, says Canada should stop being an international crybaby. He told a political rally Friday night that Canada should put more trust in President Kennedy's proposal for an Atlantic trading community.

Trading in an Atlantic community is better for Canadian independence and prosperity than trading only with the United States, he said.
